

Criteria for donations

1. Charitable organizations in Grand County are encouraged to apply.
2. Charitable organizations located out-of-state are discouraged from applying. During the ski season, 2016-2017, we did not award any donations to out-of-state organizations.
3. Organizations which align with our mission will be more competitive. Our mission is “to create a community where families, friends and teammates can connect, live, play and enjoy the natural environment of the Colorado Rocky Mountains.” Organizations which serve youth and families; promote recreation and the outdoors; or education will be more competitive. Most of our donations during the 2016-2017 ski season were to school-affiliated enterprises such as PTO’s, extracurricular programs; and the like.
4. We generally donate ski or bike lift tickets (either day passes or season passes, occasionally). We do not donate cash; gift cards; golf rounds; fishing trips; meals; or ski lessons.
5. Decisions are generally made during the first week of each month. Applications must be submitted no later than the first day of the previous month for consideration the next month. If you are applying for a donation to an auction event, we encourage you to submit well in advance of one month. We will ask that our logo be part of your event’s promotional material.
6. Our final tip is that you should review our website to be certain we are a good match for your donation request. Make sure you know that we are a ski and mountain biking resort before you apply!
